1. ELIGIBILITY

All bowlers must be ADULT members of a MN State USBC Association.

Eligible non-members within the jurisdiction of the MN State USBC Association may participate in this tournament by purchasing a USBC Associate Membership (\$21.00) prior to competition.

Failure to have membership shall result in disqualification and forfeiture of all prize winnings.

2. AVERAGES

Highest Standard or Adjusted Sport League Average Shall Be Used

All certified averages will be used as per the following:

A Highest **2008-09 Winter** average, minimum of **21** games.

B Highest **2009 Spring** average, minimum of **21** games.

C Highest current league average as of the **BOWLER'S FIRST Date of Competition**, minimum of **21** games.

D All others will use a 215 scratch average.

If due to an injury; a bowler has established a current season's average by using the opposite hand that was used to establish the previous season's average, the current season's average may be used if the procedures outlined in USBC Rule 4E are adhered to.

Rule 319D & Rule 319E will be in effect for all bowlers.

CURRENT AVERAGE 10 PIN RULE IS IN EFFECT!

When the previous season's average is used and an entrant has an average as of the **BOWLER'S FIRST Date of Competition**, for **21** games or more, that is **10 pins** or more higher than the previous season's average, the average as of that date must be used.

Bowlers are responsible for verifying their own average, whether submitted by the bowler, captain or others. If the submitted average is lower than required and results in a lower classification or more handicap, the bowlers score is disqualified. If the submitted average is higher than required, prize winnings will be based on the submitted average.

Average corrections can be made up to the end of the first game of a series. Or, if an extension has been granted in writing by a tournament management before the end of the first game of a series, the correction can be made within 48 hours after the end of the series.
